Directions

Leave M5 at jnc5. Head towards Droitwich. Stay on the Bypass to the large roundabout. Turn right onto the A442 to Kidderminster. Proceed approx. 4 miles through the village of Cutnall Green. The Potter Logistics site is located 1 mile past the village on the left hand side. Chloros Environmental are based on the Potter Logistics Site

Accessing the Chloros Environmental Head Office

When you arrive at site there will be a big yellow electric fence in front of you, turn to the left before the fence and head towards the entrance for Akzo Nobel. Follow the road around and park in the designated area. Chloros are down the end of the corridor of the green building.
